Finish Warranty

Villagio Floors, Inc. warrants to the original purchaser/homeowner (who owns the home in which it was installed) that the finish, when used under normal residential traffic conditions, will not wear through or separate from the wood for a period of 25 years from the date of purchase. Gloss reduction is not considered a manufacturing defect and is not included in this warranty. Finish warranty excludes any surfaces checks/splits caused by improper environmental conditions, scratches, indentations, and color change from indoor UV light, sunlight, or natural aging.

Villagio Floors, Inc. prohibits the use of any adhesive tape on the flooring during the time of installation or thereafter. This includes tapes that are specifically made for wood flooring, such as blue or green masking tapes. Pressure sensitive adhesives, which are polymers, can bond with the finish of a floor and potentially harm the finish when removed. Such use of any tapes void this warranty and no claims will be addressed in regards to defects in the finish as a result of the use of tape.

The Villagio Floors, Inc. installation and maintenance instructions **MUST** be followed as condition for these Warranties to have effect. You may obtain these instructions directly from Villagio Floors, Inc. by downloading or printing them from our website, www.VillagioWoodFloors.com, or sending an email request to info@VillagioWoodFloors.com

Stair Nose Structural Warranty

Villagio Floors, Inc. warrants to the original purchaser that the nosing will be free from defects in material and workmanship when installed and maintained according to Villagio Floors, Inc. specifications. If a nosing fails, Villagio Floors, Inc. will replace or repair, at its option, for as long as the original purchaser still owns the property where the nosing was installed. Inspect nosing before installation; once material is installed it is considered accepted. Although nosing is designed to be the closest representation of the actual floor, variation in color, texture, shading, grain, knots & distressing may be evident and, in some species, even extensive. This is normal and is not considered a defect.

PLEASE NOTE: Nosing is not covered by a finish warranty.
